OUR MISSION

Azamara aims to be your next favorite small ship cruise line by going beyond the traditional cruise experience, offering longer stays and overnights to allow immersive discoveries for guests in each destination.

WHO WE ARE:

LEADERS IN DESTINATION IMMERSION

Azamara is a small-ship cruise line and leader in Destination Immersion® and Extended Destination Days, committed to taking people beyond the initial layers of a city and bringing them to the heart of a destination, from cooking and sampling authentic food to listening to traditional music or spending time with locals.

SMALL-SHIP CRUISING

Azamara's intimate-style ships allow guests to reach renowned ports around the world and dock in smaller, off-the-beaten path locations that larger cruise ships cannot access. Azamara consists of a four-ship fleet, Azamara Quest®, Azamara Pursuit®, Azamara Journey® and its latest ship, Azamara OnwardSM, each carrying less than 700 guests.

PREEMPTIVE SERVICE

Through our deep understanding of hospitality and commitment to delivering exceptional service, guests can experience an intimate hotel at sea. By leveraging technology, data, internal communications, and a well-trained staff we strive to create personalized and memorable journeys for our guests. Azamara continues to attain record-breaking guest satisfaction survey score including a 98% rating for 'friendliness of staff' on our sailings.

UNLOCKING MORE TIME FOR DISCOVERY

By offering its country intensive itineraries, immersive land programs and Extended Destination Days with more time in ports and overnights in each destination, Azamara gives travelers the opportunity to connect with the local culture and change their perspective on how they view the world.

WHAT ARE AZAMAZING CELEBRATIONS?

Ten years ago, we launched AzAmazing Celebrations as an experiential way for our guests to dive deeper into cultures and traditions around the world. This year, we expanded our portfolio beyond evening events and began offering new, day celebrations onboard and onshore.

UNFORGETTABLE PERFORMANCES

To honor our 10th anniversary, we added over 35 new celebrations in the most spectacular ports. Be captivated by the rich history of the Amazon in an enriching performance in Manaus or travel back to the Renaissance era in Livorno for an exclusive showing of La Traviata. No matter the voyage, these unparalleled experiences will be the highlight of your trip.

THIS ONE'S ON US

Best of all, AzAmazing Celebrations are included, with our compliments, on all cruises except transatlantic crossings and voyages that are less than seven nights long. This can be reserved through our Shore Excursions at no additional cost.
